**VANFLOC FC 47 MT**

Version 1.1

Revision Date: 11/05/2022

**SECTION 1. IDENTIFICATION****Product name** : VANFLOC FC 47 MT

Synonyms : No data available

Restricted Uses : No data available

**Manufacturer or supplier's details****Company** : Univar Solutions Canada Ltd.  
**Address** : 64 Arrow Road  
North York, ON, M9M 2L9  
Canada**Emergency telephone number:**

Local Emergency Contact : During Office hours Monday-Friday, 8.00 am - 4.30 pm (Pacific Standard Time) : 1-866-686-4827

**Additional Information:** : Responsible Party: Product Compliance Department  
E-mail: SDSNA@univarsolutions.com  
SDS Requests: 1-855-429-2661  
Website: www.univarsolutions.com**SECTION 2. HAZARD IDENTIFICATION****Hazardous Classification of the substance or mixture**

Not a hazardous substance or mixture.

**Label elements**

Not a hazardous substance or mixture.

**Other hazards**

The following percentage of the mixture consists of ingredient(s) with unknown acute toxicity: 100 %

**SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS****Hazardous components**

No hazardous ingredients

**SECTION 4. FIRST-AID MEASURES**

General advice : Do not leave the victim unattended.

If inhaled : If unconscious, place in recovery position and seek medical advice.  
If symptoms persist, call a physician.

In case of eye contact : Remove contact lenses.  
Protect unharmed eye.  
If eye irritation persists, consult a specialist.

If swallowed : Keep respiratory tract clear.  
Do not give milk or alcoholic beverages.  
Never give anything by mouth to an unconscious person.  
If symptoms persist, call a physician.

**SECTION 5. FIREFIGHTING MEASURES**

- |                                               |   |                                                                                                                                                   |
|-----------------------------------------------|---|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Hazardous combustion products                 | : | No hazardous combustion products are known                                                                                                        |
| Further information                           | : | Standard procedure for chemical fires.<br>Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. |
| Special protective equipment for firefighters | : | Wear self-contained breathing apparatus for firefighting if necessary.                                                                            |

---

**SECTION 6. ACCIDENTAL RELEASE MEASURES**

- |                                                                     |   |                                                                                                                                  |
|---------------------------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions, protective equipment and emergency procedures | : | Avoid dust formation.                                                                                                            |
| Methods and materials for containment and cleaning up               | : | Pick up and arrange disposal without creating dust.<br>Sweep up and shovel.<br>Keep in suitable, closed containers for disposal. |

---

**SECTION 7. HANDLING AND STORAGE**

- |                                                 |   |                                                                                                                      |
|-------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------|
| Advice on protection against fire and explosion | : | Provide appropriate exhaust ventilation at places where dust is formed.                                              |
| Advice on safe handling                         | : | For personal protection see section 8.<br>Smoking, eating and drinking should be prohibited in the application area. |
| Conditions for safe storage                     | : | Electrical installations / working materials must comply with the technological safety standards.                    |
| Materials to avoid                              | : | No materials to be especially mentioned.                                                                             |

---

**SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION****Components with workplace control parameters**

Contains no substances with occupational exposure limit values.

**Personal protective equipment**

- |                          |   |                                                                                                                                    |
|--------------------------|---|------------------------------------------------------------------------------------------------------------------------------------|
| Respiratory protection   | : | No personal respiratory protective equipment normally required.<br>No personal respiratory protective equipment normally required. |
| Eye protection           | : | Safety glasses                                                                                                                     |
| Skin and body protection | : | Protective suit                                                                                                                    |
| Hygiene measures         | : | General industrial hygiene practice.                                                                                               |

**SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES**

|                                        |                       |
|----------------------------------------|-----------------------|
| Appearance                             | : solid               |
| Colour                                 | : white               |
| Odour                                  | : No data available   |
| Odour Threshold                        | : No data available   |
| pH                                     | : 5 - 9 @ 5 %         |
| Freezing Point (Melting point/range)   | : > 150 °C (> 302 °F) |
| Boiling Point                          | : No data available   |
| Flash point                            | : No data available   |
| Evaporation rate                       | : No data available   |
| Flammability (solid, gas)              | : No data available   |
| Upper explosion limit                  | : No data available   |
| Lower explosion limit                  | : No data available   |
| Vapour pressure                        | : No data available   |
| Relative vapour density                | : No data available   |
| Relative density                       | : 0.6 - 0.9           |
| Density                                | : No data available   |
| Water solubility                       | : No data available   |
| Solubility in other solvents           | : No data available   |
| Partition coefficient: n-octanol/water | : No data available   |
| Auto-ignition temperature              | : No data available   |
| Thermal decomposition                  | : No data available   |

**SECTION 10. STABILITY AND REACTIVITY**

|                                    |                                                                                         |
|------------------------------------|-----------------------------------------------------------------------------------------|
| Reactivity                         | : No decomposition if stored and applied as directed.                                   |
| Chemical stability                 | : No decomposition if stored and applied as directed.                                   |
| Possibility of hazardous reactions | : Stable under recommended storage conditions.<br>No hazards to be specially mentioned. |
| Conditions to avoid                | : No data available                                                                     |
| Incompatible materials             | : No data available                                                                     |

**SECTION 11. TOXICOLOGICAL INFORMATION**

**ACGIH** No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

**Further information****Product:**

Remarks: No data available

**Safety Data Sheet**  
**VANFLOC FC 47 MT**

Version 1.1

Revision Date: 11/05/2022

---

**SECTION 12. ECOLOGICAL INFORMATION****Ecotoxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**Other adverse effects****Product:**

Additional ecological information : No data available

---

**SECTION 13. DISPOSAL CONSIDERATIONS****Disposal methods**

Waste from residues : Dispose of in accordance with all applicable local, state and federal regulations.  
For assistance with your waste management needs - including disposal, recycling and waste stream reduction, contact Univar Solutions ChemCare: 1-800-637-7922

Contaminated packaging : Empty containers should be taken to an approved waste handling site for recycling or disposal.

---

**SECTION 14. TRANSPORT INFORMATION****TDG (Transportation of Dangerous Goods):** Not regulated as a dangerous good**IATA (International Air Transport Association):** Not regulated as a dangerous good**IMDG-Code:** Not regulated as a dangerous good

#### SECTION 15. REGULATORY INFORMATION

This product has been classified according to the hazard criteria of the Hazardous Products Regulations (HPR) and the SDS contains all of the information required by the HPR.

**The components of this product are reported in the following inventories:**

|       |                                                          |
|-------|----------------------------------------------------------|
| TSCA  | : On TSCA Inventory                                      |
| DSL   | : All components of this product are on the Canadian DSL |
| AICS  | : not determined                                         |
| NZIoC | : not determined                                         |
| ENCS  | : not determined                                         |
| KECI  | : not determined                                         |
| PICCS | : not determined                                         |
| IECSC | : not determined                                         |

#### SECTION 16. OTHER INFORMATION

The information accumulated is based on the data of which we are aware and is believed to be correct as of the date hereof. Since this information may be applied under conditions beyond our control and with which we may be unfamiliar and since data made become available subsequently to the date hereof, we do not assume any responsibility for the results of its use. Recipients are advised to confirm in advance of need that the information is current, applicable, and suitable to their circumstances. This SDS has been prepared by Univar Solutions EHS Product Compliance Department (1-855-429-2661) [SDSNA@univarsolutions.com](mailto:SDSNA@univarsolutions.com).
