

**Safety Data Sheet**  
**MEDIATOR® 50P**

Version 1.1

Revision Date: 06/28/2023

**SECTION 1. IDENTIFICATION****Product name** : MEDIATOR® 50P

Synonyms : No data available

**Recommended use of the chemical and restrictions on use**Recommended use : Pharmaceutical  
Food additive

Restricted Uses : None known.

**Supplier or Repackaging Details****Company** : Univar Solutions Canada Ltd.  
**Address** : 64 Arrow Road  
North York, ON, M9M 2L9  
Canada**Manufactured By** : Chemi S.p.A**Emergency telephone number:**

Local Emergency Contact : During Office hours Monday-Friday, 8.00 am - 4.30 pm (Pacific Standard Time) : 1-866-686-4827

**Additional Information:** : Responsible Party: Product Compliance Department  
E-mail: SDSNA@univarsolutions.com  
SDS Requests: 1-855-429-2661  
Website: www.univarsolutions.com**SECTION 2. HAZARD IDENTIFICATION****Hazardous Classification of the substance or mixture**

Not a hazardous substance or mixture.

**Label elements**

Not a hazardous substance or mixture.

**Other hazards**

None known.

**SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS**

Substance / Mixture : Mixture

**Hazardous components****SECTION 4. FIRST-AID MEASURES**

General advice : Do not leave the victim unattended.

If inhaled : If unconscious, place in recovery position and seek medical advice.  
If symptoms persist, call a physician.

In case of skin contact : Wash skin thoroughly with soap and water or use recognized skin cleanser.

**Safety Data Sheet**  
**MEDIATOR® 50P**

Version 1.1

Revision Date: 06/28/2023

- |                        |   |                                                                                                                                                                                                                                 |
|------------------------|---|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| In case of eye contact | : | Get medical attention if irritation develops and persists.<br>Remove contact lenses.<br>Protect unharmed eye.<br>If eye irritation persists, consult a specialist.                                                              |
| If swallowed           | : | Keep respiratory tract clear.<br>Do not give milk or alcoholic beverages.<br>Never give anything by mouth to an unconscious person.<br>If symptoms persist, call a physician.<br>Do not induce vomiting without medical advice. |

---

**SECTION 5. FIREFIGHTING MEASURES**

- |                                               |   |                                                                                                                                                   |
|-----------------------------------------------|---|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media                  | : | Carbon dioxide (CO2)<br>Dry powder<br>Foam<br>Water mist                                                                                          |
| Unsuitable extinguishing media                | : | High volume water jet                                                                                                                             |
| Hazardous combustion products                 | : | No hazardous combustion products are known                                                                                                        |
| Further information                           | : | Standard procedure for chemical fires.<br>Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. |
| Special protective equipment for firefighters | : | Wear self-contained breathing apparatus for firefighting if necessary.                                                                            |

**SECTION 6. ACCIDENTAL RELEASE MEASURES**

---

**SECTION 7. HANDLING AND STORAGE**

- |                                                 |   |                                                                                                                      |
|-------------------------------------------------|---|----------------------------------------------------------------------------------------------------------------------|
| Advice on protection against fire and explosion | : | Normal measures for preventive fire protection.                                                                      |
| Advice on safe handling                         | : | For personal protection see section 8.<br>Smoking, eating and drinking should be prohibited in the application area. |
| Conditions for safe storage                     | : | Electrical installations / working materials must comply with the technological safety standards.                    |
| Materials to avoid                              | : | No materials to be especially mentioned.                                                                             |

---

**SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION****Components with workplace control parameters****Personal protective equipment**

- |                        |   |                                                                 |
|------------------------|---|-----------------------------------------------------------------|
| Respiratory protection | : | No personal respiratory protective equipment normally required. |
| Eye protection         | : | Safety glasses                                                  |

**Safety Data Sheet**  
**MEDIATOR® 50P**

Version 1.1

Revision Date: 06/28/2023

Skin and body protection : Protective suit  
Hygiene measures : General industrial hygiene practice.

**SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES**

Appearance : Powder  
Colour : yellow  
Odour : characteristic  
Odour Threshold : No data available  
pH : No data available  
  
Freezing Point : No data available  
Boiling Point : No data available  
Flash point : No data available  
Evaporation rate : No data available  
Flammability (solid, gas) : No data available  
Upper explosion limit : No data available  
  
Lower explosion limit : No data available  
  
Vapour pressure : No data available  
Relative vapour density : No data available  
Relative density : No data available  
Density : No data available  
Solubility(ies)  
Water solubility : insoluble  
Solubility in other solvents : No data available  
Partition coefficient: n-octanol/water : No data available  
Auto-ignition temperature : No data available  
Thermal decomposition : No data available

**SECTION 10. STABILITY AND REACTIVITY**

Reactivity : No dangerous reaction known under conditions of normal use.  
Chemical stability : Stable under normal conditions.  
Possibility of hazardous reactions : Stable under recommended storage conditions.  
No hazards to be specially mentioned.  
  
Conditions to avoid : Keep away from heat, flame, sparks and other ignition sources.  
Incompatible materials : strong oxidizing agents

**SECTION 11. TOXICOLOGICAL INFORMATION**

**ACGIH** No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

**Safety Data Sheet**  
**MEDIATOR® 50P**

Version 1.1

Revision Date: 06/28/2023

**Further information****Product:**

Remarks: No data available

---

**SECTION 12. ECOLOGICAL INFORMATION****Ecotoxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**Other adverse effects****Product:**

Additional ecological information : No data available

---

**SECTION 13. DISPOSAL CONSIDERATIONS****Disposal methods**

Waste from residues : Dispose of in accordance with all applicable local, state and federal regulations.  
For assistance with your waste management needs - including disposal, recycling and waste stream reduction, contact Univar Solutions ChemCare: 1-800-637-7922

Contaminated packaging : Empty containers should be taken to an approved waste handling site for recycling or disposal.

---

**SECTION 14. TRANSPORT INFORMATION****TDG (Transportation of Dangerous Goods):** Not regulated as a dangerous good**IATA (International Air Transport Association):** Not regulated as a dangerous good**IMDG-Code:** Not regulated as a dangerous good

## Safety Data Sheet MEDIATOR® 50P

Version 1.1

Revision Date: 06/28/2023

### SECTION 15. REGULATORY INFORMATION

This product has been classified according to the hazard criteria of the Hazardous Products Regulations (HPR) and the SDS contains all of the information required by the HPR.

**The components of this product are reported in the following inventories:**

|       |                                                                                              |
|-------|----------------------------------------------------------------------------------------------|
| TSCA  | : not determined                                                                             |
| DSL   | : This product contains one or several components that are not on the Canadian DSL nor NDSL. |
| AICS  | : Not in compliance with the inventory                                                       |
| NZIoC | : not determined                                                                             |
| ENCS  | : Not in compliance with the inventory                                                       |
| KECI  | : Not in compliance with the inventory                                                       |
| PICCS | : Not in compliance with the inventory                                                       |
| IECSC | : Not in compliance with the inventory                                                       |

### SECTION 16. OTHER INFORMATION

The information accumulated is based on the data of which we are aware and is believed to be correct as of the date hereof. Since this information may be applied under conditions beyond our control and with which we may be unfamiliar and since data made become available subsequently to the date hereof, we do not assume any responsibility for the results of its use. Recipients are advised to confirm in advance of need that the information is current, applicable, and suitable to their circumstances. This SDS has been prepared by Univar Solutions EHS Product Compliance Department (1-855-429-2661) [SDSNA@univarsolutions.com](mailto:SDSNA@univarsolutions.com).
