

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

#### SECTION 1. PRODUCT AND COMPANY IDENTIFICATION

**Product name** : Glycol Ether DH  
**CAS Name** : 112-59-4

#### Recommended use of the chemical and restrictions on use

**Recommended use** : Industrial chemical

#### Manufacturer or supplier's details

**Company** : Univar Solutions USA  
**Address** : 3075 Highland Pkwy Suite 200  
 Downers Grove, IL 60515  
 United States of America (USA)

#### Emergency telephone number:

Transport North America: CHEMTREC (1-800-424-9300)

CHEMTREC INTERNATIONAL Tel # 703-527-3887

**Additional Information:** : Responsible Party: Product Compliance Department  
 E-mail: SDSNA@univarsolutions.com  
 SDS Requests: 1-855-429-2661  
 Website: www.univarsolutions.com

#### SECTION 2. HAZARDS IDENTIFICATION

#### GHS Classification

**Skin irritation** : Category 2

**Serious eye damage** : Category 1

#### GHS label elements

**Hazard pictograms** :

**Signal word** : Danger

**Hazard statements** : H315 Causes skin irritation.  
 H318 Causes serious eye damage.

**Precautionary statements** : **Prevention:**  
 P264 Wash skin thoroughly after handling.  
 P280 Wear protective gloves/ eye protection/ face protection.  
**Response:**  
 P302 + P352 IF ON SKIN: Wash with plenty of soap and water.  
 P305 + P351 + P338 + P310 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/ doctor.  
 P332 + P313 If skin irritation occurs: Get medical advice/ attention.  
 P362 Take off contaminated clothing and wash before reuse.

#### Other hazards

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

None known.

### SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

#### Hazardous components

| CAS-No.    | Chemical name                           | Weight percent |
|------------|-----------------------------------------|----------------|
| 112-59-4   | Ethanol, 2-[2-(hexyloxy)ethoxy]-        | 90 - 100       |
| 25961-89-1 | 2-[2-[2-(hexyloxy)ethoxy]ethoxy]ethanol | 1 - 5          |
| 112-25-4   | Ethanol, 2-(hexyloxy)-                  | 1 - 5          |

Actual concentration is withheld as a trade secret

Any Concentration shown as a range is due to batch variation.

### SECTION 4. FIRST AID MEASURES

- General advice : Move out of dangerous area.  
Consult a physician.  
Show this safety data sheet to the doctor in attendance.  
Do not leave the victim unattended.
- If inhaled : If unconscious, place in recovery position and seek medical advice.  
If symptoms persist, call a physician.
- In case of skin contact : Take victim immediately to hospital.  
If on skin, rinse well with water.  
If on clothes, remove clothes.
- In case of eye contact : Small amounts splashed into eyes can cause irreversible tissue damage and blindness.  
In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice.  
Continue rinsing eyes during transport to hospital.  
Remove contact lenses.  
Protect unharmed eye.  
Keep eye wide open while rinsing.  
Take victim immediately to hospital.
- If swallowed : Keep respiratory tract clear.  
Do not induce vomiting without medical advice.  
Do not give milk or alcoholic beverages.  
Never give anything by mouth to an unconscious person.  
If symptoms persist, call a physician.  
Take victim immediately to hospital.

### SECTION 5. FIREFIGHTING MEASURES

- Suitable extinguishing media : Dry chemical  
Carbon dioxide (CO<sub>2</sub>)  
Alcohol-resistant foam
- Unsuitable extinguishing media : High volume water jet
- Specific hazards during fire-fighting : Do not allow run-off from fire fighting to enter drains or water courses.

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

|                                               |                                                                                                                                                                                                                           |
|-----------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Hazardous combustion products                 | : Carbon oxides                                                                                                                                                                                                           |
| Further information                           | : Collect contaminated fire extinguishing water separately. This must not be discharged into drains.<br>Fire residues and contaminated fire extinguishing water must be disposed of in accordance with local regulations. |
| Special protective equipment for firefighters | : Wear self-contained breathing apparatus for firefighting if necessary.<br>Use personal protective equipment.                                                                                                            |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

|                                                                     |                                                                                                                                                                                           |
|---------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Personal precautions, protective equipment and emergency procedures | : Use personal protective equipment.                                                                                                                                                      |
| Environmental precautions                                           | : Prevent product from entering drains.<br>Prevent further leakage or spillage if safe to do so.<br>If the product contaminates rivers and lakes or drains inform respective authorities. |
| Methods and materials for containment and cleaning up               | : Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust).<br>Keep in suitable, closed containers for disposal.                             |

#### SECTION 7. HANDLING AND STORAGE

|                                                 |                                                                                                                                                                                                                                                                                                                                          |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Advice on protection against fire and explosion | : Normal measures for preventive fire protection.                                                                                                                                                                                                                                                                                        |
| Advice on safe handling                         | : Do not breathe vapours/dust.<br>Avoid contact with skin and eyes.<br>For personal protection see section 8.<br>Smoking, eating and drinking should be prohibited in the application area.<br>To avoid spills during handling keep bottle on a metal tray.<br>Dispose of rinse water in accordance with local and national regulations. |
| Conditions for safe storage                     | : Keep container tightly closed in a dry and well-ventilated place.<br>Electrical installations / working materials must comply with the technological safety standards.                                                                                                                                                                 |

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

##### Personal protective equipment

|                        |                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------|
| Respiratory protection | : General and local exhaust ventilation is recommended to maintain vapor exposures below recommended limits. Where |
|------------------------|--------------------------------------------------------------------------------------------------------------------|

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

concentrations are above recommended limits or are unknown, appropriate respiratory protection should be worn. Follow OSHA respirator regulations (29 CFR 1910.134) and use NIOSH/MSHA approved respirators. Protection provided by air purifying respirators against exposure to any hazardous chemical is limited. Use a positive pressure air supplied respirator if there is any potential for uncontrolled release, exposure levels are unknown, or any other circumstance where air purifying respirators may not provide adequate protection.

#### Hand protection

- |                          |   |                                                                                                                                             |
|--------------------------|---|---------------------------------------------------------------------------------------------------------------------------------------------|
| Remarks                  | : | The suitability for a specific workplace should be discussed with the producers of the protective gloves.                                   |
| Eye protection           | : | Eye wash bottle with pure water<br>Tightly fitting safety goggles<br>Wear face-shield and protective suit for abnormal processing problems. |
| Skin and body protection | : | Impervious clothing<br>Choose body protection according to the amount and concentration of the dangerous substance at the work place.       |
| Hygiene measures         | : | When using do not eat or drink.<br>When using do not smoke.<br>Wash hands before breaks and at the end of workday.                          |

## SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

- |                                             |   |                                                           |
|---------------------------------------------|---|-----------------------------------------------------------|
| Appearance                                  | : | liquid                                                    |
| Colour                                      | : | Clear, colorless                                          |
| Odour                                       | : | mild                                                      |
| Odour Threshold                             | : | No data available                                         |
| pH                                          | : | No data available                                         |
| Freezing Point (Freezing Point)             | : | -34 °C (-29 °F)                                           |
| Boiling Point (Boiling point/boiling range) | : | 259 °C (498 °F)                                           |
| Flash point                                 | : | 126 °C (259 °F)<br>Method: closed cup                     |
| Evaporation rate                            | : | < 0.01<br>(Butyl Acetate = 1)                             |
| Flammability (solid, gas)                   | : | No data available                                         |
| Upper explosion limit                       | : | 13 %(V)                                                   |
| Lower explosion limit                       | : | 0.7 %(V)                                                  |
| Vapour pressure                             | : | < 0.01 mmHg @ 20 °C (68 °F)                               |
| Relative vapour density                     | : | 7 @ 20 - 25 °C (68 - 77 °F)<br>(Air = 1.0)                |
| Relative density                            | : | 0.935 @ 20 °C (68 °F)<br>Reference substance: (water = 1) |

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

Acute dermal toxicity : Acute toxicity estimate: 1,100 mg/kg  
Assessment: The component/mixture is moderately toxic after single contact with skin.

**112-25-4:**

Acute oral toxicity : LD50 (Rat, female): 738 mg/kg  
Assessment: The component/mixture is moderately toxic after single ingestion.

Acute dermal toxicity : LD50 (Rabbit, male): 757.35 mg/kg  
Assessment: The component/mixture is toxic after single contact with skin.

#### Skin corrosion/irritation

**Components:**

**112-59-4:**

Species: Rabbit  
Result: No skin irritation

**25961-89-1:**

Result: Causes burns.

**112-25-4:**

Species: Rabbit  
Result: Causes burns.

#### Serious eye damage/eye irritation

**Components:**

**112-59-4:**

Species: Rabbit  
Result: Risk of serious damage to eyes.

**112-25-4:**

Species: Rabbit  
Result: Risk of serious damage to eyes.

#### Germ cell mutagenicity

**Components:**

**112-59-4:**

Genotoxicity in vitro : Test Type: Ames test  
Species: Salmonella typhimurium  
Result: negative

Germ cell mutagenicity - Assessment : Tests on bacterial or mammalian cell cultures did not show mutagenic effects.

#### Carcinogenicity

**Components:**

**112-59-4:**

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

Carcinogenicity - Assessment : Carcinogenicity classification not possible from current data.

**IARC**

No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

**OSHA**

No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

**NTP**

No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

**Reproductive toxicity****Components:****112-59-4:**

Teratogenicity - Assessment : No evidence of adverse effects on sexual function and fertility, or on development, based on animal experiments.

**Further information****Product:**

Remarks: No data available

---

## SECTION 12. ECOLOGICAL INFORMATION

**Ecotoxicity****Components:****112-59-4:**

Toxicity to fish : LC50 (Pimephales promelas (fathead minnow)): 200 mg/l  
Exposure time: 96 h

Toxicity to daphnia and other : EC50 (Daphnia magna (Water flea)): > 100 mg/l  
aquatic invertebrates Exposure time: 48 h

Toxicity to algae : EC50 (Desmodesmus subspicatus (green algae)): 147.128 mg/l  
Exposure time: 96 h  
Test Type: Growth inhibition

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

#### Mobility in soil

No data available

#### Other adverse effects

##### Product:

Ozone-Depletion Potential : Regulation: 40 CFR Protection of Environment; Part 82 Protection of Stratospheric Ozone - CAA Section 602 Class I Substances  
Remarks: This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B).

Additional ecological information : No data available

## SECTION 13. DISPOSAL CONSIDERATIONS

#### Disposal methods

Waste from residues : Dispose of in accordance with all applicable local, state and federal regulations.  
For assistance with your waste management needs - including disposal, recycling and waste stream reduction, contact Univar Solutions ChemCare: 1-800-637-7922

Contaminated packaging : Empty remaining contents.  
Dispose of as unused product.  
Do not re-use empty containers.

## SECTION 14. TRANSPORT INFORMATION

**DOT (Department of Transportation):** Not regulated as a dangerous good

**IATA (International Air Transport Association):** Not regulated as a dangerous good

**IMDG-Code:** Not regulated as a dangerous good

## SECTION 15. REGULATORY INFORMATION

**WHMIS Classification** : D1B: Toxic Material Causing Immediate and Serious Toxic Effects  
D2B: Toxic Material Causing Other Toxic Effects  
E: Corrosive Material

#### EPCRA - Emergency Planning and Community Right-to-Know Act

#### CERCLA Reportable Quantity

This material does not contain any components with a CERCLA RQ.

## Safety Data Sheet

### Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

#### SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

**SARA 311/312 Hazards** : Acute toxicity (any route of exposure)  
Skin corrosion or irritation  
Serious eye damage or eye irritation

**SARA 302** : No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

**SARA 313** : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

#### Clean Air Act

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 112(r) for Accidental Release Prevention (40 CFR 68.130, Subpart F).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 111 SOCM Intermediate or Final VOC's (40 CFR 60.489).

#### Clean Water Act

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

#### Massachusetts Right To Know

No components are subject to the Massachusetts Right to Know Act.

#### Pennsylvania Right To Know

112-59-4 Ethanol, 2-[2-(hexyloxy)ethoxy]-

**California Prop 65** : This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

#### The components of this product are reported in the following inventories:

|       |                                                          |
|-------|----------------------------------------------------------|
| TSCA  | : On TSCA Inventory                                      |
| DSL   | : All components of this product are on the Canadian DSL |
| AICS  | : On the inventory, or in compliance with the inventory  |
| NZIoC | : On the inventory, or in compliance with the inventory  |
| ENCS  | : On the inventory, or in compliance with the inventory  |
| KECI  | : On the inventory, or in compliance with the inventory  |
| PHIL  | : On the inventory, or in compliance with the inventory  |

## Safety Data Sheet Glycol Ether DH

Version 1.4

Revision Date: 11/12/2023

IECSC : On the inventory, or in compliance with the inventory

### SECTION 16. OTHER INFORMATION

#### NFPA:

#### HMIS III:

|                 |   |
|-----------------|---|
| HEALTH          | 3 |
| FLAMMABILITY    | 1 |
| PHYSICAL HAZARD | 0 |

0 = not significant, 1 = Slight,  
2 = Moderate, 3 = High  
4 = Extreme, \* = Chronic
