

**Safety Data Sheet**  
**GLYCOL ETHER TPM**

Version 1.6

Revision Date: 09/16/2024

**SECTION 1. PRODUCT AND COMPANY IDENTIFICATION****Product name** : GLYCOL ETHER TPM**Recommended use of the chemical and restrictions on use**

Recommended use : Industrial chemical

**Manufacturer or supplier's details****Company** : Univar Solutions USA  
**Address** : 3075 Highland Pkwy Suite 200  
Downers Grove, IL 60515  
United States of America (USA)**Emergency telephone number:**

Transport North America: CHEMTREC (1-800-424-9300)

CHEMTREC INTERNATIONAL Tel # 703-527-3887

**Additional Information:** : Responsible Party: Product Compliance Department  
E-mail: SDSNA@univarsolutions.com  
SDS Requests: 1-855-429-2661  
Website: www.univarsolutions.com**SECTION 2. HAZARDS IDENTIFICATION****GHS Classification**

Not a hazardous substance or mixture.

**GHS label elements**

Not a hazardous substance or mixture.

**Other hazards**

None known.

**SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS**

Substance / Mixture : Mixture

**Hazardous components**

| CAS-No.    | Chemical name                                      | Weight percent |
|------------|----------------------------------------------------|----------------|
| 25498-49-1 | Propanol, [2-(2-methoxymethylethoxy)methylethoxy]- | 90 - 100       |
| 25265-71-8 | Dipropylene glycol                                 | 1 - 5          |

Any Concentration shown as a range is due to batch variation.

**SECTION 4. FIRST AID MEASURES**

**General advice** : Do not leave the victim unattended.

**If inhaled** : If unconscious, place in recovery position and seek medical advice.  
If symptoms persist, call a physician.

**In case of skin contact** : Wash off with soap and water.  
Get medical attention if irritation develops and persists.  
Wash contaminated clothing before re-use.

**In case of eye contact** : Flush eyes with water as a precaution.  
Remove contact lenses.

## Safety Data Sheet

### GLYCOL ETHER TPM

Version 1.6

Revision Date: 09/16/2024

|              |                                                                                                                                                                                                                                                                                                                                                      |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| If swallowed | Protect unharmed eye.<br>Keep eye wide open while rinsing.<br>If eye irritation persists, consult a specialist.<br>: Do not induce vomiting without medical advice.<br>Keep respiratory tract clear.<br>Do not give milk or alcoholic beverages.<br>Never give anything by mouth to an unconscious person.<br>If symptoms persist, call a physician. |
|--------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### SECTION 5. FIREFIGHTING MEASURES

|                                               |                                                                                                                |
|-----------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media                  | : Carbon dioxide (CO2)<br>Alcohol-resistant foam<br>Dry chemical                                               |
| Unsuitable extinguishing media                | : High volume water jet                                                                                        |
| Specific hazards during fire-fighting         | : Do not allow run-off from fire fighting to enter drains or water courses.                                    |
| Hazardous combustion products                 | : Carbon oxides                                                                                                |
| Specific extinguishing methods                | : Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.      |
| Further information                           | : Standard procedure for chemical fires.                                                                       |
| Special protective equipment for firefighters | : Wear self-contained breathing apparatus for firefighting if necessary.<br>Use personal protective equipment. |

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

|                                                       |                                                                                                                                                  |
|-------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Environmental precautions                             | : Prevent further leakage or spillage if safe to do so.<br>If the product contaminates rivers and lakes or drains inform respective authorities. |
| Methods and materials for containment and cleaning up | : Wipe up with absorbent material (e.g. cloth, fleece).<br>Keep in suitable, closed containers for disposal.                                     |

#### SECTION 7. HANDLING AND STORAGE

|                                                 |                                                                                                                                                                                                     |
|-------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Advice on protection against fire and explosion | : Normal measures for preventive fire protection.                                                                                                                                                   |
| Advice on safe handling                         | : For personal protection see section 8.<br>Smoking, eating and drinking should be prohibited in the application area.<br>Dispose of rinse water in accordance with local and national regulations. |
| Conditions for safe storage                     | : Keep container tightly closed in a dry and well-ventilated place.<br>Electrical installations / working materials must comply with the technological safety standards.                            |

## Safety Data Sheet

### GLYCOL ETHER TPM

Version 1.6

Revision Date: 09/16/2024

#### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

##### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

##### Personal protective equipment

|                          |   |                                                                                                                                              |
|--------------------------|---|----------------------------------------------------------------------------------------------------------------------------------------------|
| Respiratory protection   | : | No personal respiratory protective equipment normally required.<br>In the case of vapour formation use a respirator with an approved filter. |
| Hand protection          | : |                                                                                                                                              |
| Remarks                  | : | The suitability for a specific workplace should be discussed with the producers of the protective gloves.                                    |
| Eye protection           | : | Eye wash bottle with pure water<br>Tightly fitting safety goggles                                                                            |
| Skin and body protection | : | Impervious clothing<br>Choose body protection according to the amount and concentration of the dangerous substance at the work place.        |
| Hygiene measures         | : | When using do not eat or drink.<br>When using do not smoke.<br>Wash hands before breaks and at the end of workday.                           |

#### SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

|                                               |   |                                                            |
|-----------------------------------------------|---|------------------------------------------------------------|
| Appearance                                    | : | liquid                                                     |
| Colour                                        | : | colourless                                                 |
| Odour                                         | : | ether-like                                                 |
| Odour Threshold                               | : | No data available                                          |
| pH                                            | : | Not applicable                                             |
| Freezing Point (Melting point/freezing point) | : | -77.8 °C (-108.0 °F)                                       |
| Boiling Point (Boiling point/boiling range)   | : | 242.8 °C (469.0 °F)                                        |
| Flash point                                   | : | 124 °C (255 °F)<br>Method: Pensky-Martens closed cup       |
| Evaporation rate                              | : | < 1<br>(Butyl Acetate = 1)                                 |
| Flammability (solid, gas)                     | : | No data available                                          |
| Upper explosion limit                         | : | 8.5 %(V)                                                   |
| Lower explosion limit                         | : | 0.8 %(V)                                                   |
| Vapour pressure                               | : | < 0.1 mmHg @ 25 °C (77 °F)                                 |
| Relative vapour density                       | : | 7.15 @ 15 - 32 °C (59 - 90 °F)<br>(Air = 1.0)              |
| Relative density                              | : | 0.9650 @ 20 °C (68 °F)<br>Reference substance: (water = 1) |

**SECTION 10. STABILITY AND REACTIVITY**

|                                    |                                                                                                                                                      |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity                         | : No dangerous reaction known under conditions of normal use.                                                                                        |
| Chemical stability                 | : Stable under normal conditions.                                                                                                                    |
| Possibility of hazardous reactions | : No hazards to be specially mentioned.                                                                                                              |
| Conditions to avoid                | : Keep away from heat, flame, sparks and other ignition sources.<br>Do not allow evaporation to dryness.<br>Exposure to air.<br>Exposure to moisture |
| Incompatible materials             | : Oxidizing agents<br>Humid air<br>Acids<br>Bases                                                                                                    |
| Hazardous decomposition products   | : Carbon oxides<br>Aldehydes<br>Ketones<br>Organic acids                                                                                             |

**SECTION 11. TOXICOLOGICAL INFORMATION****Acute toxicity****Product:**

Acute oral toxicity : Assessment: The component/mixture is minimally toxic after single ingestion.

**Carcinogenicity****IARC**

No component of this product present at levels greater than or

**Safety Data Sheet**  
**GLYCOL ETHER TPM**

Version 1.6

Revision Date: 09/16/2024

equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

**OSHA**

No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

**NTP**

No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

**ACGIH**

No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.

**Aspiration toxicity****Product:**

No aspiration toxicity classification

**Further information****Product:**

Remarks: No data available

---

**SECTION 12. ECOLOGICAL INFORMATION****Ecotoxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**Other adverse effects****Product:**

Ozone-Depletion Potential : Regulation: 40 CFR Protection of Environment; Part 82 Protection of Stratospheric Ozone - CAA Section 602 Class I Substances  
Remarks: This product neither contains, nor was manufactured with a Class I or Class II ODS as defined by the U.S. Clean Air Act Section 602 (40 CFR 82, Subpt. A, App.A + B).

Additional ecological information : No data available

## Safety Data Sheet

### GLYCOL ETHER TPM

Version 1.6

Revision Date: 09/16/2024

---

#### SECTION 13. DISPOSAL CONSIDERATIONS

##### Disposal methods

Contaminated packaging : Empty remaining contents.  
Dispose of as unused product.  
Do not re-use empty containers.

---

#### SECTION 14. TRANSPORT INFORMATION

**DOT (Department of Transportation):** Not regulated as a dangerous good

**IATA (International Air Transport Association):** Not regulated as a dangerous good

**IMDG-Code:** Not regulated as a dangerous good

---

#### SECTION 15. REGULATORY INFORMATION

**WHMIS Classification** : : Not controlled.

##### EPCRA - Emergency Planning and Community Right-to-Know Act

##### CERCLA Reportable Quantity

This material does not contain any components with a CERCLA RQ.

##### SARA 304 Extremely Hazardous Substances Reportable Quantity

This material does not contain any components with a section 304 EHS RQ.

**SARA 311/312 Hazards** : No SARA Hazards

**SARA 302** : No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

**SARA 313** : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

##### Clean Air Act

This product does not contain any hazardous air pollutants (HAP), as defined by the U.S. Clean Air Act Section 112 (40 CFR 61).

This product does not contain any chemicals listed under the U.S. Clean Air Act Section 112(r) for Accidental Release Prevention (40 CFR 68.130, Subpart F).

The following chemical(s) are listed under the U.S. Clean Air Act Section 111 SOCM I Intermediate or Final VOC's (40 CFR 60.489):

25265-71-8 Dipropylene glycol

##### Clean Water Act

## Safety Data Sheet

### GLYCOL ETHER TPM

Version 1.6

Revision Date: 09/16/2024

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

#### US State Regulations

##### Massachusetts Right To Know

No components are subject to the Massachusetts Right to Know Act.

##### Pennsylvania Right To Know

|            |                                                    |            |

| 25265-71-8 | Dipropylene glycol                                 | 1 - 5 %    |

##### New Jersey Right To Know

|            |                                                    |            |
|------------|----------------------------------------------------|------------|
| 25498-49-1 | Propanol, [2-(2-methoxymethylethoxy)methylethoxy]- | 90 - 100 % |
| 25265-71-8 | Dipropylene glycol                                 | 1 - 5 %    |

##### California Prop 65

: This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

#### The components of this product are reported in the following inventories:

|       |                                                          |
|-------|----------------------------------------------------------|
| TSCA  | : On TSCA Inventory                                      |
| DSL   | : All components of this product are on the Canadian DSL |
| AICS  | : On the inventory, or in compliance with the inventory  |
| NZIoC | : On the inventory, or in compliance with the inventory  |
| ENCS  | : On the inventory, or in compliance with the inventory  |
| KECI  | : On the inventory, or in compliance with the inventory  |
| PICCS | : On the inventory, or in compliance with the inventory  |
| IECSC | : On the inventory, or in compliance with the inventory  |

## Safety Data Sheet

### GLYCOL ETHER TPM

Version 1.6

Revision Date: 09/16/2024

#### SECTION 16. OTHER INFORMATION

##### NFPA:

##### HMIS III:

|                 |   |
|-----------------|---|
| HEALTH          | 1 |
| FLAMMABILITY    | 1 |
| PHYSICAL HAZARD | 0 |

0 = not significant, 1 = Slight,  
2 = Moderate, 3 = High  
4 = Extreme, \* = Chronic

The information accumulated is based on the data of which we are aware and is believed to be correct as of the date hereof. Since this information may be applied under conditions beyond our control and with which we may be unfamiliar and since data made become available subsequently to the date hereof, we do not assume any responsibility for the results of its use. Recipients are advised to confirm in advance of need that the information is current, applicable, and suitable to their circumstances.
