

Safety Data Sheet

For Compliance with OSHA 29 CFR 1910.1200 and ANSI Z400.1-1998

Natapres GS

30-4821

Section 1: Identification

Product Name Natapres GS
Commercial Name Lactobacillus Ferment&Vitis Vinifera(Grape) Seed Extract
Product Use Topical Cosmetic Use;Antimicrobial
Restrictions On Use Not available
Product Code 30-4821
Company PCCA
9901 South Wilcrest
Houston, TX 77099
Phone: 1-800-331-2498
Fax: 1-800-874-5760

In case of emergency contact:
CHEMTREC (24hr) 1-800-424-9300

Section 2: Hazard(s) Identification

OSHA Haz Com: This material is non - hazardous as defined by the American OSHA Hazard Communication Standard (29 CFR 1910.1200)
CFR 1910.1200
Signal Word NON-HAZARDOUS
Hazard Statement(s) Not applicable
Pictogram(s) or Symbol(s)

Precautionary Statement(s):

Prevention Keep container tightly closed Use personal protective equipment as required Protect from sunlight
Response Not available
Storage Store at temperatures not exceeding 25 °C Store in a dry place Store in a closed container Protect from sunlight
Disposal Not available

Section 3: Composition/Information on Ingredients

Substance/Mixture Mixture
Components Lactobacillus Ferment&Vitis Vinifera(Grape) Seed Extract
% By Weight Lactobacillus Ferment:75.0% and Grape Seed Extract:25.0%
CAS# 68333-15-3, 84929-27
Molecular Weight Not available.
Chemical Formula N/A
Synonym(s) Lactobacillus Ferment & Vitis Vinifera (Grape) Seed Extract

Mixtures

Name	CAS#	% by Weight	TLV/PEL	LC50/LD50
Lactobacillus Ferment	68333-15-3	75.0%		
Grape Seed Extract	84929-27-1	25.0%		

Safety Data Sheet

For Compliance with OSHA 29 CFR 1910.1200 and ANSI Z400.1-1998

Natapres GS

30-4821

Section 4: First-Aid Measures

Inhalation	Move to fresh air from exposure area. Get medical advice if irritation develops.
Skin Contact	Rinse with soap and water. Get medical advice if irritation develops.
Eye Contact	Immediately rinse with water for at least 15 minutes while keeping the eyes wide open. Consult with a physician.
Ingestion	Consult with a physician.
Symptoms/Effects	
Acute	Not available
Delayed	Not available

Immediate Medical Attention

General: In cases of doubt, or when symptoms persist, seek medical attention.

Section 5: Fire-Fighting Measures

Suitable Extinguishing Media

Water, dry chemicals, foam, carbon dioxide

Unsuitable Extinguishing Media

Not available.

Products of Combustion

Not considered to be a fire and explosion hazard

Firefighters Special Equipment and Precautions

Fire Fighting: Move container from fire area if it can be done without risk. Avoid inhalation of amterial or combustion by- products. Stay upwind and keep out of low area. Protection on fire-fighters:Boots,gloves and googles

Section 6: Accidental Release Measures

Pick up free liquid for recycling or disposal. Residual liquid can be absorbed on an inert material. Wash non- recoverable remainder with water. Prevent entry into sewers and waterways. Do not allow material to contaminate ground water system.

Section 7: Handling and Storage

Keep out of reach of children. For industrial use, only as directed. Wash hands after use. Avoid storage near feed or food stuffs. Keep container closed. Store in a cool, dry place. This product should be stored at room temperature (23 - 25°C). It should not be exposed to excessive heat or cold. Do not freeze.

Section 8: Exposure Controls/Personal Protection

Exposure Limits	Not available.
Engineering Controls	Collective emergency equipment: Eye fountain. Handle in accordance with good industrial hygiene and safety practice.
Personal Protection	Dust mask or equivalent. Local exhaust recommended. Rubber or neoprene gloves.Protective clothing to avoid skin contact and eye protection.

Section 9: Physical and Chemical Properties

Appearance	Colorless to yellow, clear to hazy liquid		
Odor	Characteristic odor		
Odor Threshold	Not available		
Melting Point	Not available.	pH	3.0-7.0
Freezing Point	0C	Vapor Pressure	Not available
Boiling Point/Range	100°C	Vapor Density	Not available.
Decomposition temperature	Not available	Viscosity	Not available.
Partition Coefficient: n-octanol/water	Not available	Evaporation Rate	Not available
Flash Point	> 200 °F	Autoignition temperature	Not available
Flammability	Not available	Flammability or Explosive Limits:	
		Lower	Not available
		Upper	Not available
Solubility(ies)	Soluble in water		
Other	Heavy Metals: <20 ppm Arsenic: < 2 ppm Presence of Formaldehyde: Negative		

Section 10: Stability and Reactivity

Reactivity	Not available
Chemical Stability	Stable under ordinary conditions of use and storage up to one year then re- test to full product specifications to extend shelf life.
Hazardous Polymerization	Not available.
Conditions to Avoid	Avoid extreme heat. No dangerous reactions known under use of normal conditions.
Incompatible Materials	Not available
Hazardous Decomposition Products	None known

Section 11: Toxicological Information
RTECS N/A

Acute Toxicity

Ingestion: Not determined. Dermal: Non-Irritant (Dermal Irritation Model). Ocular: Non-irritant (Dermal Irritation Model)
Inhalation: Not determined. Acute toxicity date: Not determined. Sensitization: Non-Primary Sensitizer Repeated dose toxicity:
No known effects. Subacute to chronic toxicity: Not determined. Specific effects Carcinogenicity: No known effects. Mutagenicity:
No known effects. Reproductive toxicity: no known effects. Neuro- toxicity: No known effects For more information: Does not
present any particular risk on handling under normal conditions of good occupational hygiene practice. This product has not been
tested for the following: Primary cutaneous and corrosive irritation. Acute oral toxicity. Mutagenicity/genotoxicity.

Skin Corrosion/Irritation

Non-irritant

Serious Eye Damage/Irritation

Non-irritant

Respiratory or Skin Sensitization

Non-primary sensitizer

Germ Cell Mutagenicity

No known effect

Carcinogenicity

This product is not subject to classification according to the calculation method of the General EU Classification Guidelines for
Preparations as issued in the latest version.

Safety Data Sheet

For Compliance with OSHA 29 CFR 1910.1200 and ANSI Z400.1-1998

Natapres GS

30-4821

Reproductive Toxicity

No known effect

Routes of Entry

Not available.

Symptoms Related to Exposure

No known effect

Potential Health Effects

No known effect

Target Organ(s) No known effect

Section 12: Ecological Information

Ecotoxicity

Mobility: Precipitation: Expected behavior of the product: Ultimate destination of the product: Soil and Sediment.

Persistence and Degradability

Not determined

Bioaccumulative Potential

Not determined

Mobility in Soil

Not determined

Other Adverse Effects

Not determined

Section 13: Disposal Considerations

Waste Disposal

Do not allow the product to be released into the Environment. Dispose of in accordance with relevant local regulations. Take all necessary precautions when disposing of this product according to local regulations.

Disposal of Container

Not determined

Other Considerations

Packaging:Cleaning is not required prior to disposal

Section 14: Transport Information

DOT Classification

Un Number: None UN Shipping Name: None Transport Hazard Class: Not classified as dangerous for transport Land (rail/road): Not restricted. Sea: Not restricted. Air: Not restricted. Marine Pollutant: No Transport/Additional Information: Not regulated for US DOT Transport in non- bulk containers. Special Precautions for User: None known.

Section 15: Regulatory Information

Regulations

All chemical substances in this material are included on or exempted from listing on the TSCA Inventory of Chemical Substances.

Other

Not available.

Section 16: Other Information

The information given is based on our knowledge of this product, at the time of publication in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than which it was intended. This is not in any way excuse the user from knowing and applying all the regulations governing their activity. It is sole responsibility of the user to take all precautions required in handling the product. The purpose of mandatory regulation mentioned is to help the user to fulfill his obligations regarding the use of products. This information is not exhaustive, this is not exonerate the user from ensuring that legal obligations other than those mentioned, relating to the use and storage.
