

# SAFETY DATA SHEET

ANGUS CHEMICAL COMPANY

Product name : Eucalyptus Leaf Extract

Issue Date: 11/04/2022

Print Date: 11/04/2022

ANGUS CHEMICAL COMPANY encourages and expects you to read and understand the entire (M)SDS, as there is important information throughout the document. We expect you to follow the precautions identified in this document unless your use conditions would necessitate other appropriate methods or actions.

---

## 1. PRODUCT AND COMPANY IDENTIFICATION

---

Product name Eucalyptus Leaf Extract

**Manufacturer or supplier's details**

Company name of supplier ANGUS CHEMICAL COMPANY  
Address 1500 E. LAKE COOK ROAD  
Buffalo Grove IL 60089-6553

Customer Information +1-847-808-3711  
Number  
E-mail address NAR\_CC@ANGUS.COM

**Emergency telephone number** +1 800-424-9300

**Recommended use of the chemical and restrictions on use**

Recommended use Personal care  
The ANGUS Chemical Company recommends that you use this product in a manner consistent with the listed use. If your intended use is not consistent with the stated use, please contact the Customer Information Group (see Section 1 of this data sheet).

---

## 2. HAZARDS IDENTIFICATION

---

**GHS classification in accordance with 29 CFR 1910.1200**

Not a hazardous substance or mixture.

**GHS label elements**

Not a hazardous substance or mixture.

**Other hazards**

None known.

---

### 3. COMPOSITION/INFORMATION ON INGREDIENTS

---

This product is a mixture.

#### Components

| Chemical name       | CAS-No.    | Concentration (% w/w) |
|---------------------|------------|-----------------------|
| Eucalyptus Globulus | 84625-32-1 | $\geq 1.5 - \leq 3$   |
| Water               | 7732-18-5  | $\geq 96 - \leq 100$  |

No hazardous ingredients

---

### 4. FIRST AID MEASURES

---

|                                                             |                                                                                                                                                                                                                                                                         |
|-------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| General advice<br>If inhaled                                | No hazards which require special first aid measures.<br>Move to fresh air in case of accidental inhalation of dust or fumes from overheating or combustion.<br>If symptoms persist, call a physician.                                                                   |
| In case of skin contact                                     | Take off contaminated clothing and shoes immediately.<br>Wash off with soap and plenty of water.                                                                                                                                                                        |
| In case of eye contact                                      | Flush eyes with water as a precaution.<br>Remove contact lenses.<br>Protect unharmed eye.<br>Keep eye wide open while rinsing.                                                                                                                                          |
| If swallowed                                                | Clean mouth with water and drink afterwards plenty of water.<br>Do not give milk or alcoholic beverages.<br>Never give anything by mouth to an unconscious person.                                                                                                      |
| Most important symptoms and effects, both acute and delayed | Aside from the information found under Description of first aid measures (above) and Indication of immediate medical attention and special treatment needed (below), any additional important symptoms and effects are described in Section 11: Toxicology Information. |

---

### 5. FIREFIGHTING MEASURES

---

|                                               |                                                                                                         |
|-----------------------------------------------|---------------------------------------------------------------------------------------------------------|
| Suitable extinguishing media                  | Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. |
| Further information                           | Standard procedure for chemical fires.                                                                  |
| Special protective equipment for firefighters | In the event of fire, wear self-contained breathing apparatus.                                          |

---

### 6. ACCIDENTAL RELEASE MEASURES

---

|                                                       |                                                                                                            |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------|
| Environmental precautions                             | No special environmental precautions required.                                                             |
| Methods and materials for containment and cleaning up | Wipe up with absorbent material (e.g. cloth, fleece).<br>Keep in suitable, closed containers for disposal. |

---

### 7. HANDLING AND STORAGE

---

|                              |                                                 |
|------------------------------|-------------------------------------------------|
| Advice on protection against | Normal measures for preventive fire protection. |
|------------------------------|-------------------------------------------------|

---

fire and explosion

Advice on safe handling

For personal protection see section 8.  
No special handling advice required.

Conditions for safe storage

Materials to avoid

No special restrictions on storage with other products.

---

## 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

---

### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

### Personal protective equipment

Respiratory protection

No personal respiratory protective equipment normally required.  
No personal respiratory protective equipment normally required.

Hand protection

Eye protection

For prolonged or repeated contact use protective gloves.  
Safety glasses

Skin and body protection

Protective suit

Hygiene measures

General industrial hygiene practice.

---

## 9. PHYSICAL AND CHEMICAL PROPERTIES

---

Appearance

liquid

Colour

light brown

Odour

characteristic

pH

4.0 - 4.7

Freezing point

32 °F / 0 °C

Melting point/range

Not applicable

Boiling point/boiling range

212 °F / 100 °C

Flash point

> 212 °F / 100 °C

closed cup

Upper explosion limit / Upper flammability limit

Not applicable

Lower explosion limit / Lower flammability limit

Not applicable

Vapour pressure

22.66 hPa

Relative density

1.004

Relative density

No data available.

Solubility(ies)

Water solubility

Soluble

Viscosity  
Viscosity, kinematic 1 mm<sup>2</sup>/s

NOTE: The physical data presented above are typical values and should not be construed as a specification.

---

## 10. STABILITY AND REACTIVITY

---

|                                    |                                                     |
|------------------------------------|-----------------------------------------------------|
| Reactivity                         | Stable under recommended storage conditions.        |
| Chemical stability                 | No decomposition if stored and applied as directed. |
| Possibility of hazardous reactions | No hazards to be specially mentioned.               |
| Conditions to avoid                | No data available                                   |

---

## 11. TOXICOLOGICAL INFORMATION

---

*Toxicological information on this product or its components appear in this section when such data is available.*

### Acute toxicity

#### Product:

Acute oral toxicity : Remarks: No data available

Acute inhalation toxicity : Remarks: No data available.

Acute dermal toxicity : Remarks: No data available

### Skin corrosion/irritation

#### Product:

Remarks : No data available

Remarks : According to the classification criteria of the European Union, the product is not considered as being a skin irritant.

Remarks : According to the classification criteria of the European Union, the product is not considered as being a skin irritant.

### Serious eye damage/eye irritation

#### Product:

Remarks : No data available

Remarks : According to the classification criteria of the European Union, the product is not considered as being an eye irritant.

Remarks : According to the classification criteria of the European Union, the product is not considered as being an eye irritant.

### Respiratory or skin sensitisation

#### Product:

Remarks : No data available.

Remarks : For respiratory sensitization:  
No data available.

Remarks : No data available

Remarks : No data available

**Carcinogenicity**

**IARC** No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.

**OSHA** No component of this product present at levels greater than or equal to 0.1% is on OSHA's list of regulated carcinogens.

**NTP** No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.

**Further information****Product:**

Remarks : No data available

---

**12. ECOLOGICAL INFORMATION**

---

**Ecotoxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**Other adverse effects****Product:**

Additional ecological information                      There is no data available for this product.

---

**13. DISPOSAL CONSIDERATIONS**

---

**Disposal methods**

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Waste from residues    | Offer surplus and non-recyclable solutions to a licensed disposal company.                                                  |
| Contaminated packaging | Empty remaining contents.<br>Empty containers should be taken to an approved waste handling site for recycling or disposal. |

---

**14. TRANSPORT INFORMATION**

---

**International Regulations****IATA-DGR**

Not regulated as a dangerous good

**IMDG-Code**

Not regulated as a dangerous good

**Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code**

Not applicable for product as supplied.

**National Regulations****49 CFR (DOT) -BULK**

Not regulated as a dangerous good

**49 CFR (DOT) – NON BULK**

Not regulated as a dangerous good

*This information is not intended to convey all specific regulatory or operational requirements/information relating to this product. Transportation classifications may vary by container volume and may be influenced by regional or country variations in regulations. Additional transportation system information can be obtained through an authorized sales or customer service representative. It is the responsibility of the transporting organization to follow all applicable laws, regulations and rules relating to the transportation of the material.*

---

**15. REGULATORY INFORMATION**

---

**OSHA Hazards**

No OSHA Hazards

**EPCRA - Emergency Planning and Community Right-to-Know Act****CERCLA Reportable Quantity**

This material does not contain any components with a CERCLA RQ.

**SARA 304 Extremely Hazardous Substances Reportable Quantity**

This material does not contain any components with a section 304 EHS RQ.

**SARA 302 Extremely Hazardous Substances Threshold Planning Quantity**

This material does not contain any components with a section 302 EHS TPQ.

**SARA 311/312 Hazards** : No SARA Hazards

**SARA 313** : This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

**Clean Water Act**

This product does not contain any Hazardous Substances listed under the U.S. CleanWater Act, Section 311, Table 116.4A.

This product does not contain any Hazardous Chemicals listed under the U.S. CleanWater Act, Section 311, Table 117.3.

This product does not contain any toxic pollutants listed under the U.S. Clean Water Act Section 307

**US State Regulations****Massachusetts Right To Know**

No components are subject to the Massachusetts Right to Know Act.

**Pennsylvania Right To Know**

water

7732-18-5

**Maine Chemicals of High Concern**

Product does not contain any listed chemicals

**Vermont Chemicals of High Concern**

Product does not contain any listed chemicals

**Washington Chemicals of High Concern**

Product does not contain any listed chemicals

**New Jersey Right To Know**

water

7732-18-5

Eucalyptus Globulus

84625-32-1

**California Prop. 65**

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

**The components of this product are reported in the following inventories:**

1907/2006 (EU) : Not in compliance with the inventory n (Negative listing)

Canadian Domestic Substances List (DSL) : This product contains the following components that are not on the Canadian DSL nor NDSL. n (Negative listing)

Eucalyptus Globulus

Australia Inventory of Chemical Substances (AICS) : Not in compliance with the inventory n (Negative listing)

New Zealand. Inventory of Chemical Substances : On the inventory, or in compliance with the inventory y (positive listing)

Japan. ENCS - Existing and New Chemical Substances Inventory : Not in compliance with the inventory n (Negative listing)

Japan. ISHL - Inventory of Chemical Substances : Not in compliance with the inventory n (Negative listing)

Korea. Korean Existing : Not in compliance with the inventory n (Negative listing)

## Chemicals Inventory (KECI)

Philippines Inventory of Chemicals and Chemical Substances (PICCS) : Not in compliance with the inventory n (Negative listing)

China. Inventory of Existing Chemical Substances in China (IECSC) : Not in compliance with the inventory n (Negative listing)

Taiwan Chemical Substance Inventory (TCSI) : Not in compliance with the inventory n (Negative listing)

United States TSCA Inventory : Not On TSCA Inventory n (Negative listing)

**TSCA list**

No substances are subject to a Significant New Use Rule.

No substances are subject to TSCA 12(b) export notification requirements.
